

OUR SERVICES

TalkPath Live is a leading nationwide provider of top-caliber online support services in schools, delivered by highly skilled, credentialed practitioners, all specially trained in pediatric teletherapy and licensed in their state. To meet today's growing demand and ever-increasing pressures on school districts to provide related services and fulfill IEP requirements, our list of service options is always evolving and expanding to best meet our school partners' areas of need and to best serve the students we treat. The services we currently offer include:

- ✓ **Speech-Language Therapy** (including Case Management)
- ✓ **Occupational Therapy**
- ✓ **Physical Therapy**
- ✓ **Mental Health Counseling** (including Parent/Family)
- ✓ **Social Work Services**
- ✓ **Psychoeducational Assessments**
- ✓ **Birth to 3 Services (Early Intervention)**
- ✓ **Bilingual Services (including ASL)**
- ✓ **Adapted Physical Education**
- ✓ **Preschool RTI Services** (reduces initial referrals to speech therapy)
- ✓ **Assistive Technology Services**
- ✓ **Dyslexia Services**
- ✓ **Special Education Teachers**
- ✓ **AAC Assessments**
- ✓ **Audiological Services**
- ✓ **Recreational Therapy**
